Cycle route 1

Sandhills Station to Liverpool Marina with return journey

A short to medium length ride using a range of quiet roads, main roads, a waterfront cycle path and a canal tow path. There are many options for varying the route to select quieter or more direct routes according to preference. The route takes you past some of the most iconic buildings in Liverpool along the waterfront as well as passing museums, art galleries and the Albert Dock where there are numerous cafes, restaurants and bars.

Distance (miles)	Approx 7.5 miles
Estimated Cycling Time	1 hour
Estimated Total Time	2 Hours
Stopping Points	Stopping points available along the route. Stop at the Pier Head for refreshments and toilets or at Liverpool Marina
Points of Interest	Pier Head, Liverpool Museum, Albert Dock, The Three Graces, Liverpool Marina

Step 1

Coming out of Sandhills Station, take an immediate right to go along Dunes Way which is a road that runs through Sandhills Business Park. At the end of the road you will see a cycle path which you take to lead you out to Boundary Street. Cross Boundary Street and take the road opposite Barmouth Way.

Step 2

Continue along Barmouth Way and join the canal path. Ride along the canal until just after the lock gates and then join Francine Close leading to Colin Drive and continue on to Eldonian Way.

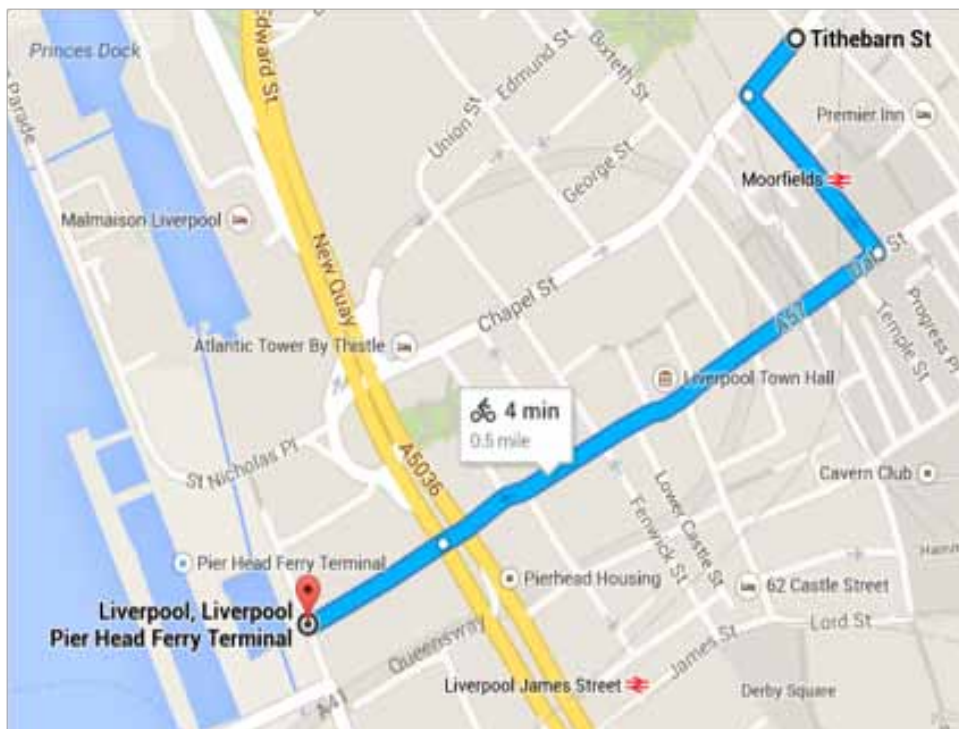

Step 3

Ride along Eldonian Way until you see a mini roundabout.

Go right at the mini roundabout and join the cycle path. At the end of the cycle path take a left turn on to Love Lane.

Ride to the end of Love Lane to a set of traffic lights at the junction with Leeds Street. Go straight over at the traffic lights on to Pall Mall and straight on along Pall Mall to Tithebarn Street.

Step 4

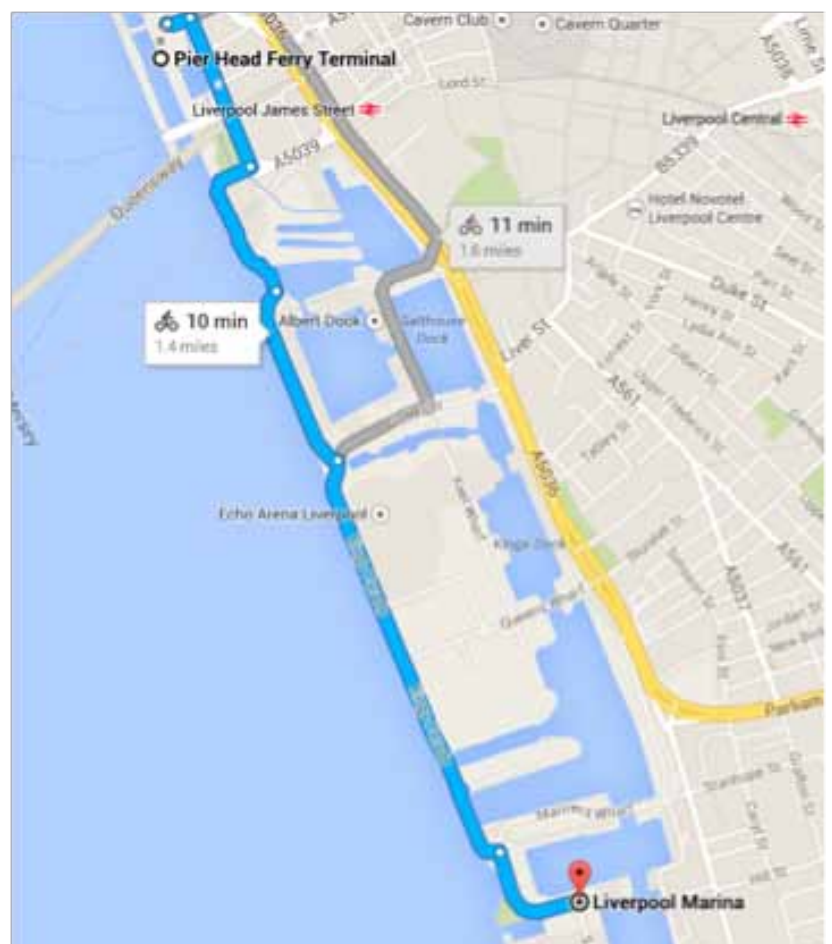

Take a right turn onto Tithebarn Street and then ride along until you see a car park on the left and take the left before the car park on to Rumford Street. At the end of Rumford Street take a right on to Dale Street going straight into the right hand lane as a cycle path begins on the right hand side shortly after the turn. Join the cycle path. Use the toucan crossings to cross over The Strand then take the road straight ahead to get to the Pier Head. From the Pier Head stick to the path along the waterfront- take care along the cobbles as you go!

Step 5

Follow the road along the waterfront past the Echo Arena on Kings Parade and keep following it round until you meet a junction with Coburg Wharf. Take a right on Coburg Wharf and follow the road round. You will see Liverpool Marina straight ahead of you.

Return Journey

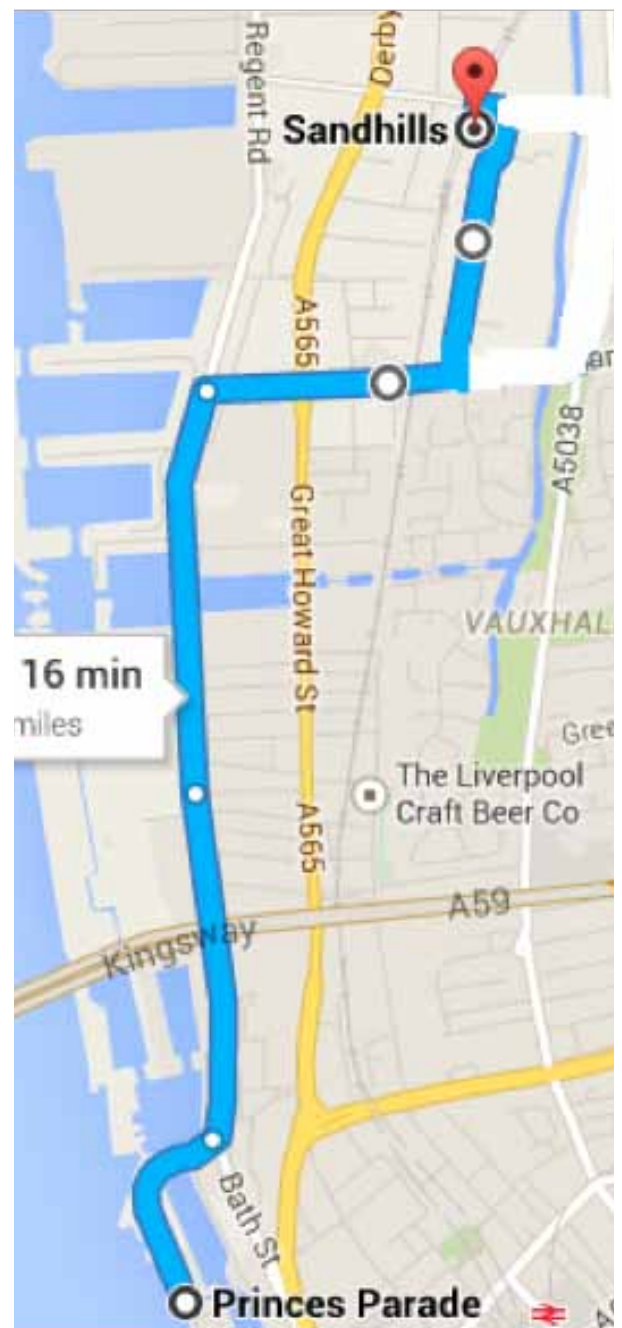

Follow this step in reverse to return to the Pier Head.

Step 6

From the Pier Head ride to Princes Parade and then ride along Princes Parade until you get to the mini roundabout which meets Waterloo Road.

Step 7

Ride along Waterloo Road which turns into Regent Road. At a slight bend in the road you will see Terry's Timber on the right. Take the right hand turn on to Blackstone Street. At the traffic lights go straight ahead to Boundary Street. Just before the bridge on Boundary Street, join the cycle path and turn left on the path on to Dunes Way to return to Sandhills Station.
